LAUNCH WORKSHOP

Expectations

1

WHAT WE ARE HERE TO ACCOMPLISH

Mass enable Autobooks in my digital banking platform for all my small businesses.

2

HOW WE'LL GET IT DONE

Visit our Partner Page, locate your digital banking provider, and access your enablement guide.

YOUR TIMELINE

Launch Autobooks in 6 weeks

WEEKS 1–2

- Complete operational & profit share forms
- Complete testing
- Access the Hub
- Inform your team

WEEKS 2–4

- Prepare your team
- Launch Autobooks (or have date set)

WEEKS 5–6

- Promote, launch, and market Autobooks to your small businesses
- Monitor activity in the Hub

SURVEY FOR THE GROUP

What is your planned enablement date?

Your Launch Team

autobooks

YOUR LAUNCH TEAM

Building your team

1

AUTOBOOKS CHAMPION

Your Autobooks Champion is an expert on the product and go-to person at your institution.

2

CORE LAUNCH TEAM

Your core launch team consists of your small business team members who will provide support for Autobooks at your institution.

YOUR LAUNCH TEAM

Identify your Autobooks champion

STEPS I CAN TAKE TO BECOME AN AUTOBOOKS CHAMPION

1. Become a product expert. Test Autobooks to experience enrollment and accept test payment(s).
2. Know where to find Autobooks resources and how to share with the team.
3. Provide internal support for your team and be the bridge between your team and Autobooks support.

Tell us who your Champion is!

We'll make sure they receive invites to our monthly product update and Hub training webinars.

YOUR LAUNCH TEAM

Identify your core launch team

CORE TEAM ROLES

- Testing
- Enablement
- Internal support for Autobooks
- Internal documentation

- Include team in completion of Ops Form
- Invite core team members to attend launch sprint and join the Hub

First steps for the launch team

AUTOBOOKS CHAMPION

- Attend or review Launch Sprint content
- Test Autobooks
- Access the Hub
- Complete or delegate operational and profit share forms

CORE LAUNCH TEAM

- Attend or review Launch Sprint content (*deep dive/demo)
- Access the Hub

Preparing your team for launch

autobooks

Three steps to prepare your team

1

STEP 1

Deploy internal materials

2

STEP 2

Prepare your core team

3

STEP 3

Notify your organization

STEP 1

Deploy internal reference materials

Reference materials are the first stop for your team if they have a question.

Post materials where team members can easily find and reference them quickly.

INCLUDE THESE ITEMS

- Autobooks one-pager
- Autobooks FAQ
- Link to Autobooks basics e-learning module

*Additional resources are available upon request at no cost

STEP 2

Prepare your core team

1

Distribute and complete the **Autobooks Basics e-learning** with your core team

2

Review **SMB and non-profit support procedures**

3

Register your core team for ongoing product updates

STEP 3

Notify your organization

AUTOBOOKS TEMPLATE

- Add a link or specific location to your internal reference material location
- Insert a reference to your Core Team in the placeholder and provide instructions on how the team can engage with them

OR

WRITE YOUR OWN

Be sure to include:

- What the product launch is and who it's for
- Enablement date
- Link to core resources
- How to get help answering questions (how to engage core team)

PREPARING YOUR TEAM

Ongoing resources

1

Monthly Autobooks Product Update Webinar

2

Monthly Autobooks Hub Webinar Training

3

Autobooks Training Resource Site

Supporting your team and your SMBs

autobooks

How Autobooks support works

FOR YOUR TEAM

Autobooks FI Success supports your team

- Reach out to Support by submitting a ticket in the Hub or emailing fisuccess@autobooks.co
- Support, Q&A, and program growth

FOR YOUR SMALL BUSINESSES

Autobooks SMB Success supports your SMBs

- Team based in Detroit, MI — support@autobooks.co
- SMB Success engages SMBs at enrollment
- **SMB Support Center**

Your support process

1

A customer-facing team member receives an Autobooks question or has one of their own

2

Team member consults internal resources

3

If internal resources are unable to answer the question, escalate it to the Core Team

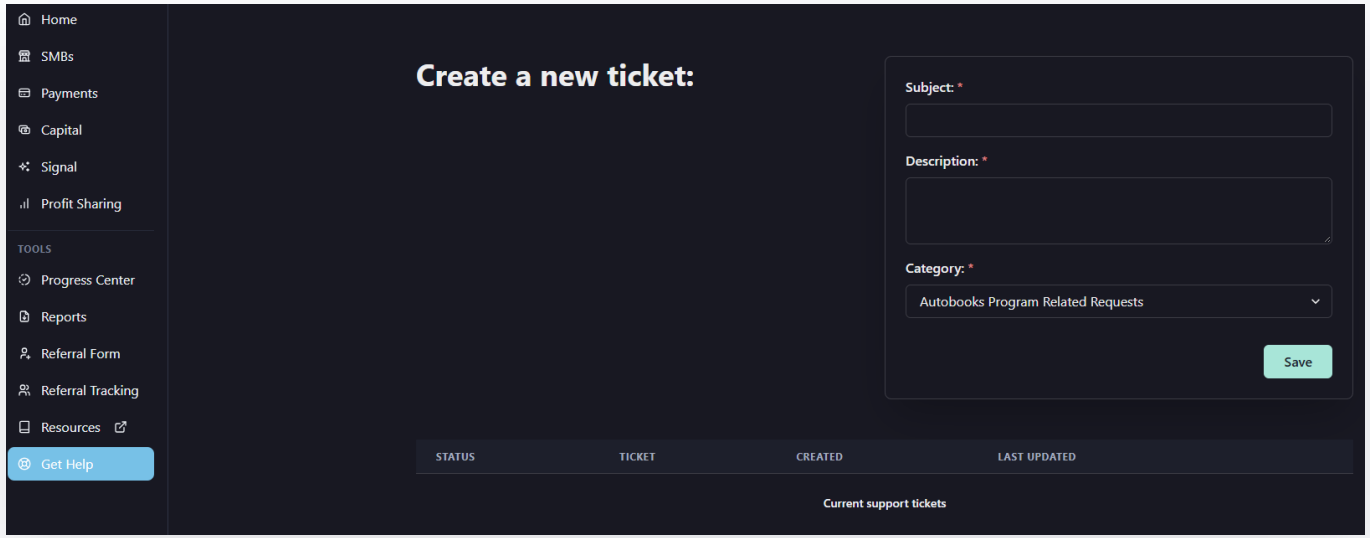

4

If Core Team is unable to answer question, they create ticket via the Autobooks Hub

YOUR SUPPORT PROCESS

Submitting a ticket

1. Log into Autobooks Hub
2. Click the **Get help** tab on lefthand side
3. Submit a ticket with your issue or question. If it's for a specific SMB, include the SMB ID.

PRODUCT & DEMO

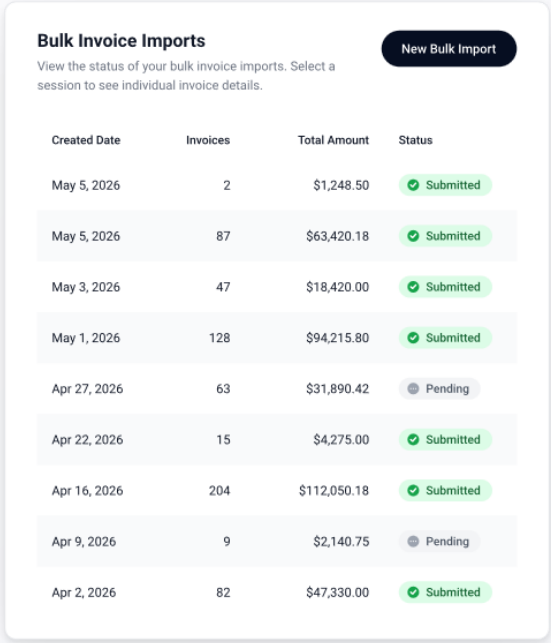

Autobooks product demo preview

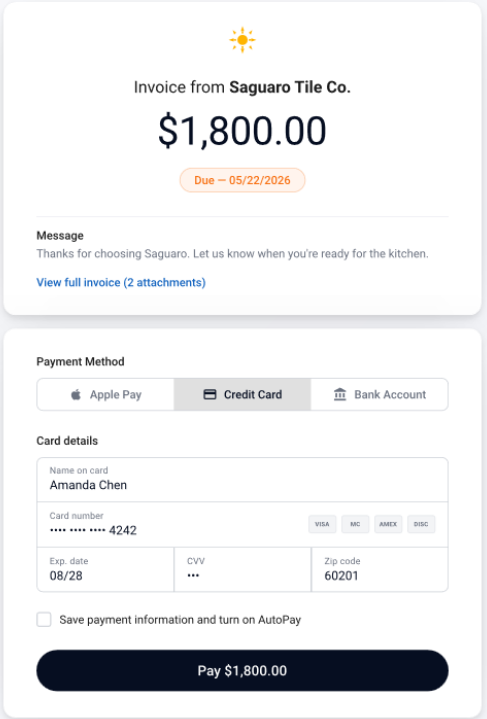

1 Onboarding

A look through the SMB lens at enrollment and support from the Autobooks team

2 Product overview

How Autobooks helps SMBs get paid

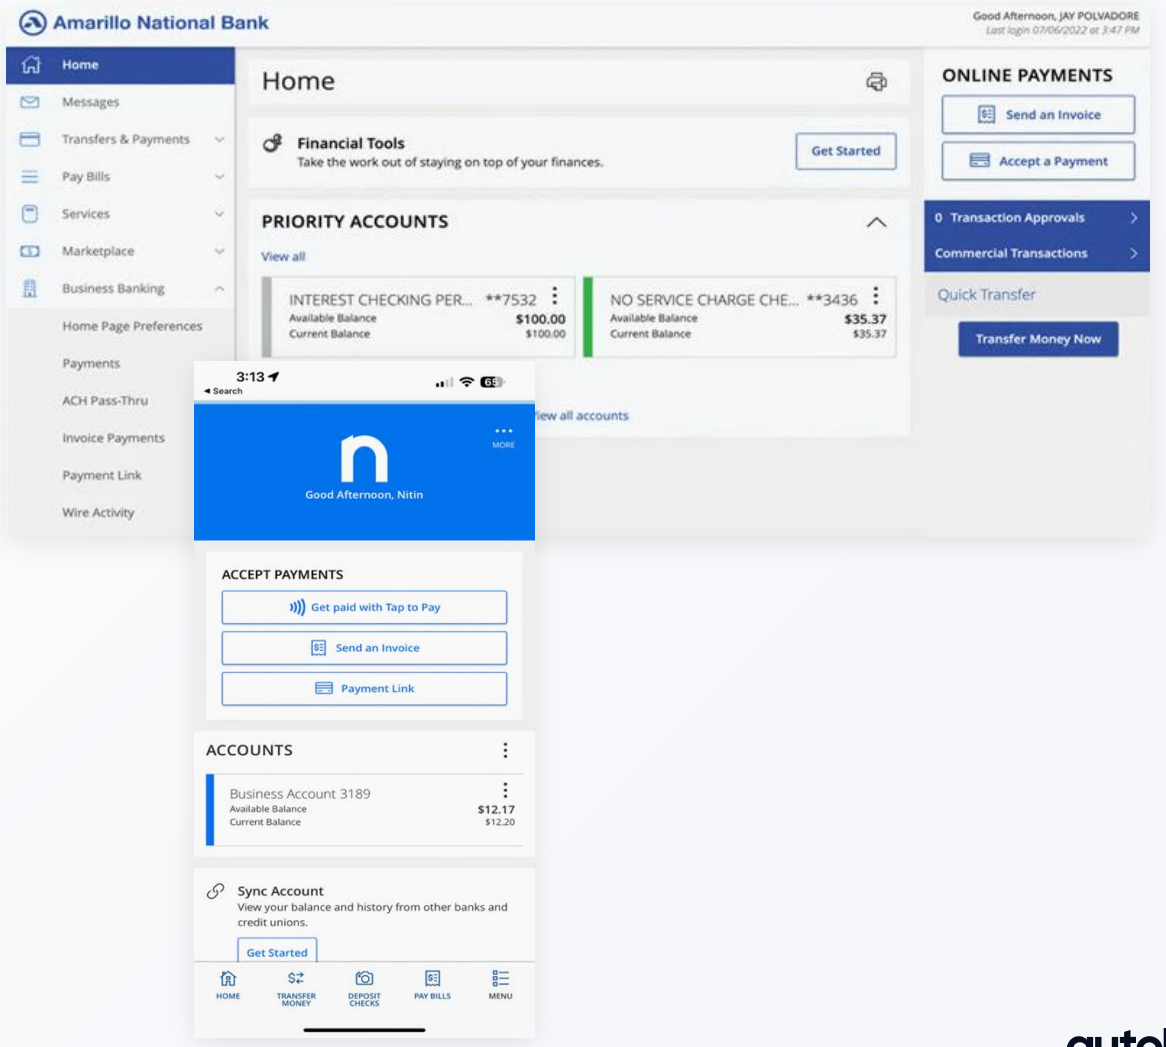

autobooks

Enrolling in Autobooks: the SMB journey

ENROLL IN 3 EASY STEPS

1. Log into Digital Banking
2. Click the Autobooks module/tab
3. Agree to terms of use and submit payment application

autobooks

Autobooks underwrites & supports the SMB

Autobooks handles all underwriting for payment processing and also owns all transactional risk.

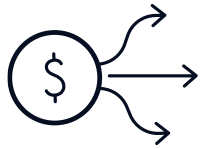

This includes card chargeback and ACH return administration.

A vast majority of businesses can be underwritten, but there are some in prohibited industries that we cannot underwrite such as:

- Alcohol
- Tobacco
- Firearms
- CBD
- Cannabis
- Most pharmaceuticals
- Certain types of lending such as payday lending

THE VALUE TO YOUR FI

By helping small businesses get paid (through existing digital banking channels) a financial institution can:

DIVERSIFY REVENUE STREAMS

EXPAND RELATIONSHIP DEPTH

INCREASE PRIMACY

Positioning Autobooks

Product tiers and feature comparison

autobooks

THE SOLUTION

Autobooks connects receivables, payables, accounting and lending inside digital banking.

A single, connected solution that gives the business owner a true cash position – and gives the bank visibility into the financial health of every business it serves.

1

RECEIVABLES

Revenue earned and owed to the business (asset)

Track customers, estimates, invoices, payments, subscriptions, aging receivables.

2

PAYABLES

Money the business owes to others (liability)

Vendors, suppliers & employee expense and spend management tools; incl. Bill Pay

3

ACCOUNTING

Organize, track and record business financial transactions

Accurate and up-to-date snapshot of company's financial position, ensuring readiness for credit, audits & taxes

4

LENDING

Small dollar loans to support growth, & working capital

Merchant Cash Advance, Term Loans & Line of Credit repaid through a businesses' cash flow

CASH FLOW INTELLIGENCE A real-time dashboard that helps businesses predict, optimize & automate cash-flow.
